13.05 - 14.30: Lunch and Networking

14.30 - 16.00: Guided tour through Folkecenter's facilities

16.00 - 16.35: The Mongol Rally with a Pure Plant Oil Car, Jeppe Lykke Hansen

16.35 - 17.00: Combigas: Danish Biogas Installations, Alvaro Maldonado, Victor Energy, Denmark

17.00 - 18.00: Panel discussion on Europe (Danish)

18.00 - 19.00: Networking

17.00 - 19.00: Vehicle Trial and Networking

19.00 - 20.30: Dinner (on request)

The event is supported by Europa Nævnet

Saturday 29 April 2017 - Hydrogen and Fuel Cells

11.00 - 11.25: Electrolyzer Technology, Anders Rønne, GreenHydrogen, Denmark

11.25 - 11.50: The HyBalance Project, Hans Jørgen Brodersen, Hydrogen Valley, Denmark

11.50 - 12.15: Coffee Break

12.15 - 12.40: Internal Combustion Engines Running on Hydrogen, Daniele Pagani, Nordic Folkecenter for Renewable Energy, Denmark

12.40 - 13.05: The Shell Eco-Marathon activities at Aalborg University - A Prototype Hydrogen Car in the making, Christian Jeppesen, Aalborg University, Denmark

13.05 - 13.30: Reformed methanol fuel cells - enabling the methanol vision, Mikkel Ehmsen, SerEnergy, Denmark

13.30 - 13.55: Solar Cooling System from Purix, Lars Munkoe, Purix, Denmark

13.55 - 15.00: Lunch and Networking

15.00 - 16.00 : Pannel discussion on Europe (Danish)

16.00 - 17.00 : Networking

17.00 - 19.00 : Vehicle trial

19.00 - 20.30: Dinner (on request)

Sunday 30 April 2017 - Electric Vehicles and Hybrids

11.00 - 11.25: Vehicle to Grid (V2G) Solutions, Martin Messer Thomsen, NUVVE, Denmark (online)

11.25 - 11.50: Electric Car Diffusion in Norway, Niels Olsen, Norway

11.50 - 12.15: Around the World in an Electric Car, Hjalte and Nina Tin Rasmussen, Denmark

12.15 - 12.40: Coffee break

12.40 - 13.05: Using an Electric Car on a Daily Basis: User Experiences, Marta Rubio, Denmark

13.05 - 13.30: Experiences in Running a Green Car Rental, Otto Lægaard Jensen, Denmark

13.30 - 13.55: A possible solution to take the stress out of being an EV owner, Martin, Thomas and Miklas Poulsen, Rentaplug, Denmark

13.55 - 14.20: Incentive Schemes in Europe, Daniele Pagani, Nordic Folkecenter for Renewable Energy, Denmark

14.20 - 14.45: Lunch and Networking

The event is supported by Europa Nævnet

14.45 - 15.45: Retrofitting a FIAT 500: a Possible Solution for Denmark and Europe, Pietro Cambi, Italy (Online)

15.45 - 16.15: Solar Powered Vehicles are here!, Brett Belan, US (Online)

16.15 - 19.00: Vehicle Trial and Networking

19.00 - 20.30: Dinner (on request)

The event is supported by Europa Nævnet
