

AARHUS 2017 SUSTAINABILITY MODEL

How do we ensure sustainability of the future European Capital of Cultures?

Friday the 25th of September, Aarhus 2017 in cooperation with WorldPerfect and Samsø Energiakademi, will have the pleasure to present the first international sustainable model for the European Capital of Culture. The model will show how sustainability can be incorporated into cultural projects such as: Food & drink, communication & behaviour, drive, art & culture.

After the presentation OFF 2017 will take over at Kulbroen and Slagterihavnen and present a part of the change occurring in Central Jutland Region within street sport, music, art & street and performing arts, architecture & urban spaces, creative industries, film & animation and gastronomy.

THE EVENT IS OPEN FOR EVERYBODY AND PARTICIPATION IS FREE OF CHARGE

The event is supported by Aarhus 2017 and Europe Nævnet. For registration, send a mail to projectmanager Peter Christensen - pc@energiakademiet.dk
