

11/11 2025 18:30-20:00. Room 7
100% Renewable & Local Solutions: Africa, Europe and South Asia. Organized by:
INFORSE, AIWC, Suswatch Kenya and Nordic Folkecenter for Renewable Energy

Energy Literacy for Youth

Judit Szoleczky
INFORSE

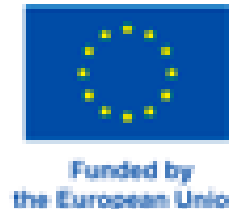

Participatory Research
Report through Energy
Adventure Room. (pdf)

New European Cooperation Project on
Creating Participatory Education -
for marginalized youth, refugees, disabilities,
those challenged by
the traditional text-based learning –
but also for all learning by interactive
methods and learning and having fun 😊

- New report: Energy Literacy for Inclusion. A Research Report on Learning with Marginalised Communities.
- Curriculum coming soon – check out website
