CLIMATE
DIALOGUES
2020

One thing that has not changed is the need for constant and consistent progress on fulfilling commitments under the Paris Agreement and continuing to **build climate ambition**.

Patricia Espinosa

UN Climate Change Executive Secretary

United Nations
Climate Change

"**NDCs** offer a chance for nations to chart a path forward for both **climate change** and **health**.

We need to see strong, clear and positive declarations by all stakeholders on the need for **more climate ambition** in their NDCs and Long-Term Strategies."

Patricia Espinosa

UN Climate Change Executive Secretary
